

Date

Your Legislator's name and address and please use title Honorable Senator or Assembly person.....

On July 1, 1987, (laws of 1987 Chapter 844 Senate bill 1290A, Assembly bill 2056) Governor Mario Cuomo signed into law the New York City Transit Police Variable Supplements Fund legislation in a faithful point of justice, it being the basis of our lawful Collective Bargaining Agreement with our then employer, the New York City Transit Authority. Terms of the agreement were to ensure parity in all benefits with our counterparts in the NYC Police Department force. A documented letter of intent by the NYC Transit Authority is in the legislative bill jacket.

These terms were infringed upon by the intent of unfaithful trustees of the Transit Police Variable Supplements Fund against the interests of certain beneficiaries and unpinning the integrity and responsibility of trusteeship to those they lawfully represented. Acting in complicity since 1991, the trustees, in July 24, 1992 (laws of 1992, chapter 577, Senate bill 8811A, Assembly bill 12195) supported the legislation against pre-1987 "for service" twenty year retirees who now were to be denied their benefit after five years in the fund as beneficiaries and contributors (as per SKIMS from NYCERS), thereby without compensation.

I would respectfully ask, on behalf of my family and myself, that we can look forward to your support for justice in our legislative Senate bill S6823A and Assembly bill A8585A, to correct this injustice and restore the lawful and righteous intent of our Collective Bargaining Agreement with our employer and that of our former Governor Mario Cuomo.

Sincerely,
